Go Green With Microchill!

## Say What?

"I'm big on going green and with your MicroChill unit I can feel good knowing that this product is energy efficient and reduces my college's overall energy use." - Jacob L

"It was nice having the fridge in my daughter's room on move-in day. I didn't have to haul it up any stairs to move her in and I think she appreciated the fact that she had more room in the car to bring things like extra shoes and room accessories." - Matt G
